

2024 Midwest & Plains Equity Assistance Center

Equity Leaders Institute

Leading for Equity During Challenging Times

September 5-6, 2024

In Person: IU Indianapolis

***Equity Leaders Institutes* provide opportunities for education practitioners to engage in two full days of intensive collegial study, discussion, and custom planning related to leadership practices for the advancement of educational equity in local settings.**

This year's *Institute* will bring together State Agency Stakeholders, Building and Classroom Educators, District Leadership, and Community Members who are continuously working towards sustaining equitable educational environments in the midst of our current social and legislative climate.
